

General information

EVENT PRESIDENT

Fabrizio Panaro
SCDU Chirurgia Generale, Oncologica,
Robotica e HPB
Professor of Surgery
Università del Piemonte Orientale – UPO

SCIENTIFIC COORDINATORS

Igor Monsellato
SCDU Chirurgia Generale, Oncologica,
Robotica e HPB

Gianluca Cassese
SCDU Chirurgia Generale, Oncologica
Robotica e HPB
Assistant Professor
Università del Piemonte Orientale – UPO

SCIENTIFIC COMMITTEE

Celeste Del Basso, Fabio Giannone,
M. Lodin, M. Palucci,
F. Sangiuolo, M. Alagia.
SCDU Chirurgia Generale, Oncologica,
Robotica e HPB

VENUE

Room 103
Università degli Studi “A. Avogadro”
Via Teresa Michel, 11 - Alessandria

REGISTRATION

Registration, reserved for:
Surgeon, Gastroenterologist, Oncologist,
Radiologist, Radiotherapist, Transplant,
Medical Student, Resident, Junior, Senior
is free of charge and can be done online at
<https://tigicongress.com/evento/colorectal-cancer-synchronous-liver-metastases-update-2024#event-register>

Included in your registration:

- Access to all scientific sessions
- Coffee service and Lunch (room “Studio”)
- Attendance Certificate

“A. AVOGADRO”
ALESSANDRIA

COLORECTAL CANCER & SYNCHRONOUS LIVER METASTASES: UPDATE IN 2024

08.30 Faculty and participant Registration

09.00 Institutional Welcome:
Federico Riboldi
Councilor for health Piemonte

Menico Rizzi
Rector of the University Piemonte orientale

Valter Alpe
General Director AOUAL SS
Antonio e Biagio e Cesare Arrigo

Colorectal Session
Moderators: **Stefano Berti, Franco De Cian**

09.20 CT scan and MRI for diagnosis in colorectal cancer and liver metastases: indications and diagnostic protocols
Ivan Gallezio

09.35 MRI Structured report for colorectal cancer and liver metastases: Is it a reality?
Giulio Salmè

09.45 Endoscopic treatment in colorectal cancer
Luisa Novi

09.55 Endoscopic treatment in liver metastases
Nico Pagano

10.05 Discussion

11.15 Coffe break

Invited Lecture
10.30 CME in the treatment of colon cancer
Paolo Pietro Bianchi

10.50 Role of radiation therapy in colorectal cancer and focus on liver metastases: which strategies? Indications, treatments and new perspectives
Vincenzo Burgio

11.00 Role of chemotherapy in colorectal cancer and focus on liver metastases: which strategies? Indications, treatments and new perspectives
Elena Traverso

11.10 Robotic resection: is it a gold standard for rectal cancer?
Igor Monsellato

11.20 Open, Laparoscopic or Robotic Surgery: a comparison of three approaches in colorectal cancer and liver metastases
Marco Ettore Allaix

11.35 ERAS protocol: focus on colorectal cancer and integrated protocol for colorectal cancer with liver metastases
Ugo Elmore

11.50 Discussion

Invited Lectures
12.05 Role of TaTME: Europe experience
Roel Hompes

12.25 TEM and TAMIS in the treatment of rectal cancer: Turin Experience
Alberto Arezzo

13.00 Lunch

Liver Metastasis Session
Moderators: **Alessandro Ferrero, Riccardo Rosati**

13.45 Liver first and current trends for the treatment of liver metastases
Matteo Donadon

14.00 Parenchymal sparing and major liver resection in simultaneous CRLM
Gianluca Cassese

Invited Lecture
14.10 Tips and tricks for ICG colorectal and liver metastases surgery
Luigi Boni

14.30 Robotic simultaneous resection of colorectal cancer and liver metastasis
Fabio Giannone

14.45 How we do it: Clinical cases of synchronous resection (VIDEO)
Federico Sangiuolo

Invited Lecture
14.55 Application of 3D rendering Technology in Colorectal Liver Metastases Surgical Approach
Christian Cotsoglou

15.15 Discussion

Invited Lecture
15.40 Colorectal Liver metastases: how to do when resection is no more indicated?
Renato Romagnoli
Comment by **Fabrizio Panaro**

16.05 – 17.00 FINAL ROUND TABLE
Moderators:
Renato Romagnoli, Fabrizio Panaro, Christian Cotsoglou

Clinical Case presentation
Mariantonietta Alagia

Treatment options presentations: Why Liver first?
Marco Palucci

Why Colon first?
Celeste Del Basso

Why Combined Approach?
Fabrizio Panaro

Audience voting

17:00 Discussion on poll results:
Stefano Berti, Franco De Cian, Matteo Donadon, Alessandro Ferrero, Christian Cotsoglou, Renato Romagnoli, Fabrizio Panaro

17.30 Closing remarks
